

Student Scam Checklist

Pause. Verify. Protect.

Before you tap or pay

- Check urgency: is someone rushing or frightening you?
- Check the sender through an official app, number, or website.
- Never share an OTP, UPI PIN, password, or screen access.
- A QR code or collect request can take money from you.

If something happened

- Stop payments and preserve screenshots, call logs, and transaction IDs.
- Call 1930 quickly if money was sent.
- Report at cybercrime.gov.in and tell a trusted person.
